

Information about Munich - Madonna del Ghisallo - Munich on 22 June 2024

Most important information

- Take your time, have fun and arrive safely!
- A brevet is not a race, nobody is interested in your cut.
- The respective road traffic laws of Germany, Austria, Italy and Switzerland apply.
- The route according to the route plan/GPS must be adhered to.
- Those who take shortcuts will not be homologated.

Arrival

- The best way is by bike, train, S-train or Subway
- It is only 2.6 km from the main railway station.

- There are no parking spaces near the start!

- If you come by car, it is best to park in Thalkirchen, Harlaching or in a P&R car park.

Start

- Roecklplatz, 80469 Munich from 10:00 a.m. onwards
- Group start á 30 starters according to group division every 5 minutes

Start documents / Inscription

- On 21 June from 4:00 p.m. to 7:00 p.m. at 3 Mills Cycle & Coffee, Dreimühlenstr. 40, 80469 Munich
- We are planning a dinner on June 21 near Roeckl Platz, more information by mail
- On 22 July from 8:00 a.m. to 9:30 a.m. at Bakery & Café Zoettl, Ehrengutstr. 14, 80469 Munich
- after 9:30 a.m. there are no more documents!
- The bakery Zöttel offers a rich selection for breakfast

Start control

- From 9:45 am at Roecklplatz
- No start without bike lights and safety vest/belt (yellow or orange with reflective stripes) (we will check this!)

Start groups

- Start groups will be allocated after receipt of payment, as on the homepage.
- Group start every 5 minutes

Finish check

- ARAL petrol station, Kapuzinerstr. 46
- **Important: All riders, including those using the digital brevet card, must enter their arrival time in the brevet pass, stamp it and put it in the box on the counter!**

No homologation without time and stamp!

- The ARAL petrol station is well stocked and open around the clock.

Registration Digital Brevet Card

- Every participant must register with the Digital Brevet Card, even if the classic cardboard card is used.
- No homologation without registration!
- Please read how to register in the instructions for use of the Digital Brevet Card in the download area.

Important:

All those who use the digital brevet card (hopefully all of you) also enter the passage time at the controls in the cardboard brevet card.

Cardboard card users: At controls where there is no stamp/receipt, a control photo must be taken.

This means that you must have either a mobile phone with camera function or a digital camera with you.

Make sure that the camera is set to the correct date and time.

For the few participants who only use the cardboard brevet card:

Next to the control stamp, be sure to enter the signature and time.

For uploading the control photos, please read the separate instructions.

Proof of control

The proof that you have reached a control point is done via (either, or):

- Digital brevet card and time in stamp card
- Stamp with address and time of the checkpoint.
- If the control point does not want to stamp, then buy something and take the receipt.
- Receipt showing the place and time of the inspection/inspection (be sure to write your name on the back! Otherwise we can't assign it).
- Control photo => please read the instructions for use of the control photo!
- Control photos: Your bike or you and the control point must be clearly visible. Have a look at the description „Checkpoints“.

Control photos

- Take a photo of your bike or yourself and the checkpoint at each checkpoint and upload it to your digital brevet card.

Ferry Lago Maggiore: Laveno to Intra

Known road works (further road works are possible!)

- Km 189: Short, unpaved bypass of the landslide at the chapel
- Km 203: Construction site avalanche gallery between Vinadi and Scuol closed to cyclists. Diversion via the well-maintained cycle path, finely gravelled

Overnight stays on the road

More than one hotel night will not be possible. If you plan to stay in a hotel, please remember that it is the holiday season and book well in advance.

The ideal area for hotel accommodation is the Locarno/Bellinzona/Airolo area.

The hotel "[Liberty Self Check](#)" in Bellinzona with 24-hour self-check-in has proven itself.

Alternatively: [Motel Gottardo Sud](#) in Quinto, also with 24-hour check-in

If you have a sleeping bag and sleeping mat, there are numerous shelters along the way that offer shelter from the rain and wind.

Money

- In Switzerland, cashless payment is not a problem, you don't have to buy Swiss Franken.
- In Austria and Italy you pay with EURO
